Attention Parents !!

We would like to remind our students to practice road and helmet safety before and after school.

Big or small, safety is for all!!

Here are some things to remember because more cars are on the road!!

- Use helmets at all times—it's the law.
- Use assigned crosswalks.
- Talk to kids about looking both ways before crossing the street.
- Walk your bike or scooter on the school sidewalk.

**Up, Up, and
Away...It's May!**

Important: All Parents please sign in at the office when you are visiting the school. Parents that are volunteering please sign in and get a volunteer tag from the office.

Please do not send snacks or lunch to school with your child that could contain any kind of nuts or peanuts. It puts others at unnecessary risk.

BHES PAC Plant Fundraiser

Pick Up Date: Thursday, May 9

Plant pick-up will be in the BHES gym between 3—6 pm.

Turn Around and Parking Lot

Please be extra careful before and after school when dropping your children off. There are many cars and children and accidents are much more prone to happen during these times. Make sure you are properly parking your car and ensuring your child is safe to exit. We have seen several cars stopped in the middle of the road or in unsafe areas with children exiting when it is not safe. We all need to work together to ensure the safety of our students.

Inline Skating

The students had a blast learning how to Inline skate!!! Thank you to all the parent volunteers who took their time to help tie skates for the students who needed assistance.

Wear Purple for CdLS Awareness: May 13

We want to honour National CdLS Awareness Day by wearing purple on Monday, May 13. CdLS (Cornelia de Lange Syndrome) is a genetic condition that is characterized by numerous physical, intellectual, and behavioural differences.

Please be advised that there is NO playground supervision before 8:20am or after 3:20pm.

Students are expected to go home after school before going to the playground.
