- i. PAC agrees to make a decision on the amount to donate once more information is gathered and the decision does not need to be brought back to a meeting to be executed once the PAC agrees on the amount.
- e. Plant Fundraiser – Spring fundraiser starts soon, company already reaching out to set up. Growing Smiles is cheaper than local gardens and has been great to work with in the past. Starts beginning April, can be run to mid may. Historically brings in around \$3000. Delivery to be around May long weekend.
- f. Music Money – Dance money transferred from PAC account to music account for Mrs. Heisler to buy Sound Bars, she can submit for the difference and we can top it up after.
- g. P.A.C. meetings on sign – Nope, it's a pain to change, especially in the winter. Possible to add it on slower months if space is available – definitely not going to be every time.
